Although your classes are online, you're still a vital part of the university's rich traditions on campus—even for those who may not be on campus.

Our online students are invited to join us on campus for the Commencement Weekend in May. Take Part in Commencement! It's an exciting time for everyone.
Do You Have What It Takes?

With three starts per year—in fall, spring and summer—the William & Mary Online MBA program accepts applications on a rolling basis, allowing students to submit materials in advance for their intended start.

In order to apply to the program, students must submit the following materials:

1. $100 application fee; the fee may be waived for applications submitted by the priority deadline, active-duty military and veterans, W&M alumni, attendees of informational webinars, and at the discretion of the Admissions Office. Contact an Admissions Advisor to discuss whether you qualify for a fee waiver.
2. Official academic transcripts from all institutions where you have received a conferred bachelor or graduate degree. Official transcripts must be sent directly from your institution. Unofficial transcripts are accepted as part of the application and official transcripts are due before classes begin.
3. Two essays
4. Two letters of reference
5. A resume/CV showing a minimum of two years of work experience
6. TOEFL, IELTS or PTE scores (for international applicants)

Qualified applicants who have submitted and completed their application will be invited to schedule a personal admission interview. Interviews can be conducted by video conference, telephone, or on campus.

Submit a Stronger Application

If you’ve reviewed the admissions requirements and find yourself a little worried over some of the components, you’re in luck: We at William & Mary have prepared several valuable resources to help you craft the strongest admissions application possible.
